FOOD MADE TO ORDER!

* The Chicago Department of Public Health advises that consumption of raw or undercooked foods of animal origin, such as beef, eggs, fish, lamb, pork, poultry or shellfish, may result in an increased risk of foodborne illness. Individuals with certain underlying health conditions may be at higher risk and should consult their physician or public health official for further information. Consuming raw or undercooked MEATS, POULTRY, seafood, shellfish, or EGGS may increase your RISK of foodborne illness, especially if you have certain medical conditions.
